

Join the 3RD Annual *Picture the Future* event Today!

Picture the Future is the first in a series of Early Learning Advocacy Events. It was established by Children's Campaign, Inc., Early Childhood Association of Florida (ECA of FL), Generations United, Pre-K Now, and Ingram Accounting & Consulting, LLC., as an opportunity for four-year olds across the state to participate in an art project expressing their personal vision of the future. Drawings answering the age-old question "What do you want to be when you grow-up?" will be submitted from children across the state.

We need early learning providers to use the curriculum designed by ECA of FL, to teach a career day to their children and send us the art that is created. Art will then be sent to the Florida Legislature to underscore the importance of completing the mission of requiring a degreed lead teacher in every pre-K in Florida. Sign-up by filling out the form below and sending the form to Children's Campaign, Inc.

_____ Yes, Sign my class/center up to participate in the 3rd annual *Picture the Future*, and give every child in my class/center the opportunity to express their career dreams

Contact Name: _____ County: _____
